Subject: Letter of financial commitment for applying for Deemed to be University status with UGC to NIUM, Bangalore - regarding

Sir,

I am directed to refer to Institute's letter No. 60-1/2020-21/Acd/NIUM dated 09.07.2020 on the subject cited above and to say that the primary objective of obtaining the status of Deemed to be University status is to attain academic autonomy for the Institute instead of depending on a University for its admission, examination, awarding degrees etc. which will have a significant impact on the growth of National Institute of Unani Medicine (NIUM) and Unani system of medicine. The Institute will continue to receive the 'Grant-in-Aid' every year from the Government of India after its declaration as "Deemed to be University".

2. This issues with the approval of the Competent Authority.

Yours sincerely,

(Bhawani Shankar Kothari)
Section Officer (SUS)
